Early Decision 1 – Canadian Resident

Financial Aid Checklist Deadline – November 15, 2009

Important Information

- The initial award is an estimate. You will be required to submit tax returns and supporting documentation in order to determine the final award. Staff will review this supporting documentation but *no earlier* than April 1st. It is possible that the final award will be less than the initial award. If you are concerned about any potential adjustment and its impact on your family's contribution, you should reconsider applying Early Decision.
- All figures must be reported in U.S. dollars
- Our staff will require your 2009 Canadian tax returns with supporting documents no later than May 1, 2010 for verification purposes.

If documents are received after 5/1, you risk a late penalty.

The following documents are required by November 15th
