Early Decision 1 International Applicant Living Permanently in the United States

Financial Aid Checklist Deadline – November 15, 2009

Important information

- The initial award is an estimate. You will be required to submit federal tax returns and supporting documentation in order to determine the final award. Staff will review this supporting documentation but *no earlier* than April 1. It is possible that the final award will be less than the initial award. If you are concerned about any potential adjustment and its impact on your family's contribution, you should reconsider applying Early Decision.
