Regular Decision - Canadian Resident

Financial Aid Checklist

Deadline – February 1, 2010

Important Information

- All figures must be reported in U.S. dollars
- We understand that your Canadian tax return may not be available by the deadline date. An estimated award will be provided based on the CSS Profile and other supporting information. A final award will be sent when 2009 taxes and supporting documents are received.
- Student's financial aid will remain in an estimated status until 2009 taxes and all supporting documents have been submitted. This means corporate/business taxes – including K1's, final tax returns (not draft tax returns) and any additional information requested by the FA office but not received.
- Our staff will require your 2009 federal tax returns with supporting documents when completed but no later than May 1, 2010 for verification purposes.

If documents are received after 5/1, you risk a late penalty.
