## 2009 -2010 PRIVATE SCHOLARSHIP REPORTING FORM

Many students receive outside sources of funding to support their college expenses. It is important to notify Financial Aid Services if any funding of this type is received. Federal regulations require we take outside awards into consideration as a student's eligibility is determined. When a student receives an outside scholarship the award will change in this order:

1. Family contribution will be reduced to the federal level
2. Loan levels will be eliminated or reduced
3. Student employment will be eliminated or reduced
4. Very last to be reduced is/are the grant(s).

Checks should be mailed to the above address. If the donor request verification of enrollment, please submit a written request to Connecticut College, Office of the Registrar, 270 Mohegan Avenue, New London, CT 06320.

For your information: You will receive a revised award showing the scholarship and adjustments split between two semesters. If the donor sends the full amount of the scholarship, the Bursar will apply the full amount to that semester which might create a credit on the account. If this happens, the Bursar will send you a check. We strongly suggest that you save this money so it can be applied to the next semester charges.

Please list your private awards below and return as soon as possible. If you are notified of additional scholarships/grants after submitted this worksheet, please notify the office.
