

**The Goodwin-Niering Center for
Conservation Biology and Environmental Studies**
~~~~~  
**Internship Questionnaire**

Student Name: \_\_\_\_\_ Date: \_\_\_\_\_

Name of internship organization: \_\_\_\_\_

Brief description of internship:

How valuable was your internship as a learning experience?

What could you have done to better prepare yourself for your internship so that you could have participated more fully in the opportunities offered?

In what ways could your internship organization have made your experience more engaging and challenging?

Did the Goodwin-Niering Center adequately prepare you for your internship through the Certificate Seminar, coursework and advisors?

Were you able to acquire the data, background information and/or experiences you require for your senior integrative project?

What could the Goodwin-Niering Center have done differently to assist you?

Additional comments (use reverse).

---

Please type your responses and e-mail to [dmwhi@conncoll.edu](mailto:dmwhi@conncoll.edu) at the end of the summer. Your answers do not need to be long, but please take the time to provide thoughtful responses. This information will be helpful to the Center as we attempt to constantly improve the internship experience for future classes of certificate students.
