@ConnCollegeLive

@ConnCollegeLive is our campus go-to Twitter account with helpful information, event listings and student resources. Check @ConnCollegeLive every day for news about campus happenings and to ask practically any question you might have. When you lead a student organization or have an announcement, mention @ConnCollegeLive in your tweet and we’ll broadcast the message to our campus community. Throughout this book, tweets and retweets from @ConnCollegeLive give a sense of what resources are available on our Twitter account. You’ll also find hints and tips from the @ConnCollegeLive team to help you in your first weeks on campus.
Connecticut College

By the Numbers

Founded as a women’s college in 1911
Went coed in 1969

1,900 undergraduates from 45 states; Washington, D.C.; and 70 countries
The class of 2020 will be the 102nd graduating class

56 majors, minors and certificate programs
Including the option to create your own

33 Fulbright winners in the past 5 years

99% of students live on campus

52% receive financial aid

The college encompasses 750 acres of arboretum

Student-faculty ratio is 9:1
360 (H4) – One of several common interest residences on campus. Residents apply with a theme and plan events and activities for campus.

ABBEEY (D4) – Abbey House, located across Mohegan Avenue.

AC (G5) – Athletic Center.

ARBO (F1) – The College’s 750-acre campus is managed as an arboretum, but the 445 acres located across Williams Street are most commonly referred to as the Arbo. It’s an outside laboratory for the sciences, a habitat for native plants and animals, a place for students to relax with friends, and a park for the community.

ARC (F2) – Academic Resource Center, located in Shain Library.

BLUE CAMEL CAFE (F2) – The Blue Camel Cafe offers a variety of specialty coffees, teas and baked goods as well as soups during lunch on weekdays. The Blue Camel is located on the first floor of Shain Library and is also a 24-hour, controlled-access study space. @BlueCamelCafe

THE BARN (H2) – Located near Cro and the Plex, this is the designated rehearsal space for student bands. See MOBROC.

CAMEL CARD – The Camel Card is your main student identification. It gets you into buildings and holds printing funds, Dining Dollars and Camel Cash. See page 16.

CAMELYMPICS – In this annual, daylong tradition, residential houses compete against each other in dorm versus dorm events that range from basketball and a road race to Jenga and Wii Bowling. Quidditch is always a highlight. #Camelympics

CAMEL VAN – The College’s van service between campus and greater New London locations. Turn to page 47 to find out more.

CAMELWEB – The College’s intranet, a private network just for members of the campus community.

THE CENTERS – “The Centers” are five unique programs for interdisciplinary scholarship. Four Centers grant certificates:

- Goodwin-Niering Center for the Environment (GNCE)
- Toor Cummings Center for International Studies and the Liberal Arts (CISLA)
- Holleran Center for Community Action and Public Policy (PICA)
- Ammerman Center for Arts and Technology (CAT)

Generally, sophomores apply to these Centers, and each culminates with a senior integrative project.

- The fifth Center, the Center for the Comparative Study of Race and Ethnicity (CCSRE), is the hub for researching and teaching race and ethnicity across the disciplines.

Turn to page 28 for more info.
☆ **COFFEE CLOSET** (D3 & E2) – This student-run organization operates two locations, the original cafe near the first-floor entrance of Cummings Arts Center, and the Walk-in Coffee Closet on the first floor of Harkness House. *Insta: The_Coffee_Closets*

☆ **COFFEE GROUNDS** (G3) – A student-run cafe in KB serving bagels, pastries, and gourmet coffees and teas, and featuring student art and entertainment. *@Coffee_Groundz*

☆ **THE COLLEGE VOICE** – The student-run campus newspaper. New writers, photographers and designers are always welcome to attend meetings. *@TheCollegeVoice*

☆ **@CONNCOLLEGELIVE** – Connecticut College’s Twitter feed for campus event info. Learn about upcoming lectures, athletic games, performances, lunch/dinner menus and more. *@ConnCollegeLive*

☆ **CONNECTIONS** – As a student here, you will have the benefit of Connections, a bold new venture that will prepare you for success in an increasingly complex world. See page 26.

☆ **CONNQUEST** – An online resource for student clubs and organizations, accessible via CamelWeb, that provides a wall to post messages, photo galleries, events, member lists and more.

☆ **CRO** (G2) – The College Center at Crozier-Williams is the student center and home to the Oasis Snack Shop, Humphrey’s, Cro’s Nest, Cro-Pit, Bookshop, Post Office, SGA, Camel Card office, OVCS and The College Voice. Many student clubs meet in Cro, and most offices related to student life can be found here.

☆ **EARTH HOUSE** (H4) – A house in north campus where all residents commit to eco-friendly living, and a focal point for green activities on campus.

☆ **ECLIPSE** – This spring event includes an array of dance, such as capoeira, salsa and hip-hop, and fashion shows. *Insta: ConnCollEclipse*

☆ **FACILITIES MANAGEMENT** (B2) – The maintenance staff on campus. They handle everything from repairs to custodial services to clearing snow in the winter. Something not working? We need to know. Email workreq@conncoll.edu or call 860-439-2253.

☆ **FALL WEEKEND** – A weekend to show your family the sights on campus, catch a soccer game on Tempel Green, enjoy events like Harvestfest and meet up with alumni. #CCfallweekend

☆ **FELLOWSHIPS** – The College has bolstered support for students and alumni seeking high-profile national fellowships and scholarships through its Office of Fellowships and Scholarships. The College is consistently recognized as a top producer of Fulbright scholars, and students have won other awards such as Davis Projects for Peace, and Goldwater and Marshall fellowships.

☆ **FESTIVUS** – From a famous “Seinfeld” episode, Festivus is a nondenominational holiday party. There are several parties around campus followed by a celebration in Cro.

☆ **FG** – The Floor Governor is a member of the residential living staff who helps create fun programming. See page 13 for more info.

☆ **FLORALIA** – An annual outdoor spring concert with live music, attractions, dancing and more. Held in early May, Florialia is one of the most popular events of the year.

☆ **FOUNDERS DAY** – Celebrated April 5, this marks the anniversary of the day the College was officially chartered in 1911.
GREEN DOT – Our violence prevention strategy. Green Dot encourages bystanders to make a choice and then take action by doing something to prevent violence from happening in our community.

HARRIS (H2) – Harris Refectory is the largest dining hall on campus and is located in the Plex. Turn to page 16 for more info on dining options around campus.

HARVESTFEST – An outdoor carnival/festival with food, crafts and entertainment organized by all the student organizations, teams and residence halls on campus during Fall Weekend. Sponsored by SAC.

HONOR COUNCIL – A body of students elected to review any breaches of the Honor Code. See page 21.

HOUSEFELLOW – A senior trained to provide academic, emotional and social support to house residents.

JA (D2) – Jane Addams House, located in south campus.

KB (H3) – Katharine Blunt House, located in central campus and named after a longtime president. Also home to Coffee Grounds.

LGBTQ (G3) – Lesbian, gay, bisexual, transgender, queer and questioning. This community is served by the LGBTQ Resource Center in Burdick House. @CC_lgbtqcenter

MOBROC – Musicians Organized for Band Rights on Campus. A student-run organization comprising student bands. They’re in charge of scheduling acts for many of the College’s concerts and providing rehearsal space (The Barn) for student bands. If you’re looking to start or join a band on campus, check them out.

MOODLE – Learning management system used to deliver course materials, including text, audio and video; collect assignments; conduct discussions; post grades; facilitate communication between students and faculty; or do any number of course-related activities online.

NESCAC – We belong to the New England Small College Athletic Conference, composed of 11 highly selective liberal arts colleges. See page 31. @nescac

OASIS (G2) – Snack shop in Cro. Students and professors go here to grab a bite and chat.

OVCS (G2) – Office of Volunteers for Community Service is located in Cro. Community service is a big part of the value system here. @OVCS_CC

PEeps – Peer Educators help fellow residents learn about health issues, alcohol/drug abuse, stress management and much more. Turn to page 13 for more.

THE PLEX (H2) – The complex of six north campus residential houses: Hamilton, Lambdin, Johnson, Morrison, Park and Wright. The corridor that connects these dorms, above Harris, is called Main Street. One-third of students live here. It’s attached to Harris Refectory, the College’s largest dining hall.

REGISTRAR (E3) – This office supports the education of students at the College, protects the integrity of the CC degree, and maintains permanent academic records for current and former students. The office also maintains, interprets and monitors academic policy, and communicates procedures to students, faculty and administrative staff. The Office of the Registrar is located on the first floor of Fanning Hall, in Room 105.

THE RIDGE (C4) – The River Ridge Apartments, located across Mohegan Avenue, offer apartment-style housing for sophomores, juniors and seniors who apply.

RUANE’S DEN (E2) – This space in Harkness House is home to the Walk-in Coffee Closet and offers coffee, snacks and an outside patio with tables for doing work.
SA – Student Adviser. Your student adviser is part of the advising team you have at Conn. Learn more on page 26.

SAC – The Student Activities Council is responsible for organizing many of the social activities on campus, including dances, off-campus trips, FNL, study breaks, Winter Formal and Floraflia. @ConnColSAC

SGA – The Student Government Association governs the academic, social and residential life of students. See page 19. @ConnColSGA

SHAIN (F2) – Charles E. Shain Library is the College’s main library, which recently underwent a $9.8 million renovation. The building now features much more natural light, a grand reading room, an outlet at each seat, 10 group study rooms and the Blue Camel Cafe, which serves as a 24-hour study space.

TEMPEL GREEN (E2) – The entire green stretching from the Ad Astra Garden in front of Blaustein down to the loop road.

THURSDAY NIGHT EVENTS – A weekly event series featuring things such as Camel Bingo, magicians, the Best Band on Campus contest, spoken word performances, film screenings, laser tag and more.

WCNI – The campus radio station, 90.9 FM, located at the north end of Cro. Plays a variety of music, including hip-hop, indie, pop, funk, Latin, reggae and classical. Listen online at www.wcniradio.org. @WCNIRadio

WINCHESTER (E5) – Apartment-style housing for sophomores, juniors and seniors.

ZIPCAR – Reserve online if you need temporary wheels. Learn more on page 47.

Curious about where some of these places are on campus? Check out the map on the inside front cover.
Orientation

#FinallyACamel

Arrival Day is **Thursday, Aug. 25, 2016**.

New Student Orientation (for first-year and transfer students) is **Thursday, Aug. 25**, through **Monday, Aug. 29**.

All new students arrive on Thursday, Aug. 25, between the hours of 9 and 11 a.m. (with the exception of students who will be participating in one of the optional pre-Orientation programs—see below).

At your residential house, you will have the opportunity to meet your roommate(s), housefellow and floor governor:

- **11:30 a.m.-** Lunch will be available at various dining halls around campus and is free to all.
- **12:45 p.m.** Sessions for students and separate sessions for parents and families.
- **3:45 p.m.** President’s Assembly in Palmer Auditorium.
- **4 p.m.** Dessert reception, after which parents and families will say goodbye and depart.

Full schedules for Arrival Day and Orientation will be available online in early August.

During the first few days, you will meet with your advising team to discuss course selections for the fall semester. You will attend workshops, both academic and social, to help you get better acquainted with the organizations, resources, traditions and activities of Connecticut College. Your residential house staff, whom you will meet on Arrival Day, will help guide you throughout all of Orientation.

In addition to Orientation, which is mandatory, the College offers two optional pre-Orientation programs for first-year students:

- **Genesis:** This program is designed to help students from under-represented groups, including students of color and students who are the first in their families to attend a four-year college, become familiar with the resources available to help them transition to college. For more information, contact Antonio Jefferson, director of Unity House, at ajeffers@conncoll.edu or 860-439-2628.

- **Odyssey:** This program gives international students an opportunity to get to know the College and each other, and learn about resources on campus. For more information, contact Carmela Patton, international student adviser, at cpatton@conncoll.edu or 860-439-2050.
ALL ABOUT YOU
Living @ Conn

The Basics

- Most residential houses have a mix of first-year students and upperclass students.
- First-year students usually live in doubles, triples or quads.
- Sophomores live in doubles or singles; juniors and seniors typically have singles.
- Your room will come with an extra-long twin bed, dresser, closet space, desk, chair, and wired and wireless internet connections.
- Landline room phones are an option if you want one. Contact the IT Service Desk at 860-439-4357.
- All residential houses are gender-inclusive, although some specific floors are single gender. All residential bathrooms are gender-inclusive.
- Your Camel Card gets you into your house; you’ll also have a key for your room.
- Your Camel Card also gets you into the dining halls and holds printing funds, Dining Dollars and Camel Cash, which work at on-campus eateries, laundry machines, copy machines and the Bookshop.

Roommates

Your roommate may turn out to be a lifelong friend. Or not. Either way, learning how to live with someone is a valuable life skill. Here are some topics to discuss when you meet with your roommate and house staff during Orientation:

- ** Visitors:** When would you prefer not to have people in the room? Are the rules different for male and female visitors? How do you feel about having other people spend the night?
- ** Sharing:** What is shared, and what is yours? Do you mind if your roommate eats your food? Uses your toothpaste? In the room, what is communal space?
- ** Noise:** Do you study with music on? Do you like to watch TV late at night?
- ** Cleanliness:** How often do you plan on cleaning the room? Do you mind if it’s messy, or do you prefer it stays neat?

**HINTS & TIPS:**

At the beginning of the semester you will fill out a roommate contract with your roommate(s). This is a great opportunity to set ground rules about what is OK and what isn’t.

**HINTS & TIPS:**

Keep an eye on your email. This summer you will receive instructions on uploading your photo for your Camel Card.
Connecticut College is committed to promoting and advancing sustainability on campus and in the surrounding communities. As you begin to purchase items to bring to campus, look for products made by companies that are committed to environmental stewardship and provide their employees with a safe working environment and livable wages.

- Your copy of *Over the Hump!*
- Bed linens (twin extra-long: 80" L x 36" W x 7" D)

Please leave at home

| Hot plates/skillets (e.g., George Foreman grills) | Air conditioners |
| Hibachis and grills | Ceiling fans/lights |
| Toaster ovens | Halogen lamps |
| Space heaters | Outside TV antenna or satellite dish |
| Candles and incense | Pets |
| Flammable fluids | Wireless routers |

**TIPS**

TVs, DVD/Blu-ray players and microwaves are all fine to bring with you to campus. You may wish to check with your roommate(s) first so you won’t have two of everything. Purchase a power strip so you can plug them all in/turn them all off at once.

Since most residence hall rooms are not carpeted, you may want to purchase a room-sized or area rug. Wait until you get to campus, as you can buy rugs locally, and you may wish to share the cost with your roommate(s).

We have a state-of-the-art communications network providing sophisticated phone, cable and data connectivity to every room on campus, with many wireless access points. The network enables you to access academic resources such as the automated library system, the courseware server, the CamelWeb intranet, email and the web from your room. If you need to purchase a computer, Connecticut College has partnered with Apple and Dell to offer excellent discounts on many models. Learn more at https://www.conncoll.edu/information-services/purchasing/.

It’s convenient to have a small refrigerator (no larger than 3 cubic feet) in your room to keep drinks and snacks. Consider the environment and rent one; a rental service is available through the College. If you do want to purchase one, you may wish to wait until you arrive on campus and share the cost with your roommate(s). Look for Energy Star-rated appliances to help save energy.

The Connecticut College Bookshop also has many room furnishings you may need, including official Connecticut College items.

One final tip: Pack less than you think you need!
Who's Who in the Residence Houses

Fellow students hold leadership roles in the houses. These students work for the Office of Residential Education and Living (REAL) and are trained to help you have a fantastic year. On any given night, a housefellow or floor governor is on call to assist with problems or to help if you get locked out of your room.

- **Housefellow**
  - The top leadership position in the house, and a help with virtually any problem or issue.
  - Responsibilities may include advising on academic, personal and social matters; enforcing house and campus policies; helping develop house programs; and mediating roommate conflicts or room problems.
  - The housefellow has on-call responsibilities and the duty to intervene in order to protect the health and safety of the environment (policy enforcement).

- **Floor Governor (FG)**
  - The FG creates and coordinates social and educational programming such as pizza party study breaks or dialogues with faculty and staff.
  - The number of FGs depends on the size of the house.
  - The FG has on-call responsibilities and the duty to intervene in order to protect the health and safety of the environment (policy enforcement).

In addition to the student-staff positions, your house will have a number of representatives in elected positions who meet weekly as **House Council**. Many representatives are elected in the fall, so you can get involved. Any resident can attend House Council meetings.

- **House Senator**
  - Each senator is elected by house residents in the fall to represent the house in the Student Government Association (SGA).
  - The house senator attends weekly SGA meetings and voices the concerns of the house. He or she reports back to the house in a weekly email.

- **Peer Educators (PEeps)**
  - PEeps educate fellow residents about health issues, including alcohol and other drug abuse, nutrition and eating disorders, sexual assault/misconduct, and stress and time management.
Social Life in Your Residence

- Houses host activities such as study breaks, movies, pizza parties and brunches.
- You can organize parties and compete in Camelympics with fellow residents.
- Don’t see activities you like? Talk to your housefellow or FG and help plan some!

Intellectual Life in Your Residence

Don’t be surprised if you run into a professor in the common room! Learning doesn’t end in the classroom. In fact, some of the most interesting discussions you’ll have might take place in the common room or while you’re hanging out in your hallway.

First-Year House Meetings are happening right now! It looks like we have an awesome group of new Camels! #finallyacamel

Residential Education Fellows (REFs)

A group of faculty members called REFs help create events and programs in the houses. Eleven full-time tenured faculty, in conjunction with FGs, plan a variety of social and academic programming in the residence halls. Sometimes these programs journey into the surrounding neighborhoods. You may make cupcakes at a bakery in New London or learn how to curl at an ice rink in Bridgeport.

First-Year Seminars in the Common Room

There’s nothing like rolling out of bed, heading down a flight of stairs and getting to class in 30 seconds. Some of the first-year seminars take place right in your residence common room, meaning your roommates and hallmates might also be your classmates. It’s a great way to get to know the people you live with, and oftentimes first-year seminar professors will bring treats, invite the class over for dinner or form a particularly special bond with their class.

REAL Talk

Behind the scenes, the College’s Residential Education and Living (REAL) staff works to promote learning, safety and fun in the residence halls. They’re the professionals and are ready to help out if you need a hand. The office is located in Warnshuis, behind Shain Library. (F2)

@ConnColl_REAL | fb.com/ConnCollREAL | Insta: ConnColl_REAL
Area Coordinators

Area coordinators are professional staff members from the REAL office who work closely with each house and are assigned to different geographic areas of campus: north, central and south. You can always get in touch with your area coordinator or the REAL staff by emailing housing@conncoll.edu.

Your New Address

Even with email and text messages, there’s something nice about getting a package from home (or maybe it’s just a package you ordered from Amazon!).

- Mail is delivered to the Post Office on the first floor of Cro. You keep your same mailbox the whole time you’re at Connecticut College.
- Address letters and packages to Name, Campus Box #, Connecticut College, 270 Mohegan Ave., New London, CT 06320-4196.
- Feel free to send mail or packages in the weeks before Arrival Day. Just add “Class of 2020” to the address.
- When you receive a package, you’ll find a slip in your mailbox. Bring the signed slip and photo ID to the Post Office window to get the package.

HINTS & TIPS:

Your mailbox is available 24 hours a day, but the window is open only during weekday business hours. Keep this in mind, especially if you’re expecting a box of home-baked cookies on a Friday afternoon!
Meal Plan 101

- Participation in Dining Services’ unlimited meal plan is required for all first-year students; you will be enrolled automatically.
- You’ll need your Camel Card to swipe in to any dining hall at any meal.
- There are three meal periods Monday through Saturday (breakfast, lunch and dinner) and two on Sunday (brunch and dinner).
- Unlimited access to the dining hall means that if you need to leave for any reason, you can swipe back in during that same meal period.
- Students get $45 in Dining Dollars each semester to use at the Oasis Snack Shop in Cro and at other campus eateries.
- You can also add Camel Cash to your Camel Card. Camel Cash works for vending machines, at the Bookshop and at other locations on campus. When you run out of Dining Dollars, you can use Camel Cash at campus eateries.
- Full-plan students get four free guest meals per semester. You can charge additional guest meals to your student account by filling out a charge slip at the dining hall.
- Card run out of money? Visit http://www.conncoll.edu/camel-card/camel-cash/ to reload money online.

Where to have a meal

The main dining hall: Harris Refectory
Harris is the College’s main dining hall. It’s the largest and is located in the Plex. (It’s connected to Morrison, Lambdin, Hamilton, Wright, Park and Johnson, so if you live in those residence halls, you won’t have to even set foot outside in the winter to go to and from meals!) Harris is the only dining hall open on weekends.

Smaller, homier options

Jane Addams (D2), Freeman (D2) and Smith (G3) all have smaller dining halls within their residence halls. They are, of course, open to any student. Freeman is the vegetarian dining hall and serves vegan meals, too. These dining halls have more limited hours than Harris does.

The language tables in Knowlton Dining Hall (E2) are a staple of Connecticut College. While all students can dine here, international and language-studying students particularly enjoy the opportunity to converse in their language of choice over lunch each day.
Where to grab coffee, have a snack or hang out

Oasis (G3)
Oasis is the main snack shop and is located in Cro. It serves sushi, ice cream, popcorn chicken, mozzarella sticks, salads and more. Oasis is open until 1 a.m. daily and until 2 a.m. on Saturday nights.

The Blue Camel Cafe (F2)
The Blue Camel Cafe is located on the first floor of Shain Library and serves local coffees, along with soup, snacks and baked goods. The cafe is open late into the night, but the room serves as a 24-hour study space that you can access with your Camel Card. @BlueCamelCafe

Coffee Grounds (G3)
Located in Katharine Blunt (KB) House, Coffee Grounds is student-run and serves coffee, tea and fresh baked goods. @Coffee_Groundz

The Coffee Closets
The original Coffee Closet began as an SGA/student partnership and quickly became one of the most popular spots for coffee, baked goods and snacks on campus. Now, the Coffee Closet has two locations:
- The Coffee Closet, Cummings Arts Center (D3)
- The Walk-in Coffee Closet at Ruane’s Den, Harkness House (E2)
Insta: The_Coffee_Closets
Be creative! Don’t like the dessert du jour? Make yourself a root beer float, milkshake or s’mores.

There are lots of dining options, including vegetarian, vegan and gluten-free meals.

For something simple, Harris serves grilled chicken daily.

If you need a change of pace, Oasis has great breakfast sandwiches, and local merchants often set up shop to sell lunch in Cro.

Harris has local/regional offerings in the salad bar daily.

You can order eggs almost anytime in Harris from the grill station, and you can even bring veggies, meats and cheese from the salad bar to put in your omelets.

Try out the smaller dining halls in Smith, JA and Freeman.

Keep an eye out for specialty-food nights in Harris, which feature a taco bar, stir-fry and quesadillas.

Freeman has a soup, salad and bread bar at lunch on Tuesdays and Thursdays.

About twice a semester, JA and Freeman host a theme dinner, which always makes for a fun night for all.

Moonlight Breakfast is a late-night full breakfast offered in Harris during fall exam time.

Make friends with the dining hall staff. They’re all very friendly.

Have an allergy? Let Dining Services know and they’ll work with you. Contact Chris Manfredi at cmanfred@conncoll.edu for more information.

Shabbat dinner is served in Zachs Hillel House on Fridays.

With your meal plan, you can eat in the dining hall as many times as you want in a day.

If you really like something (or really don’t), you can tell the dining hall staff by writing a “napkin note” and leaving it on any of the dining halls’ bulletin boards.
Getting Involved @ Conn

It’s easy to get involved on campus, but it’s even easier to find out what’s going on! Just follow @ConnCollegeLive on Twitter and you’ll see daily menus, events, announcements and more. If you run a student organization or are hosting an event, just mention @ConnCollegeLive in your tweet and we’ll broadcast the word to the campus. Most organizations and teams are active on Twitter, so @ConnCollegeLive is a great place to find out whom you should follow.

Got a question? We probably have an answer. Just tweet @ConnCollegeLive and we’ll do our best to help you. Maybe something’s not working right, or you don’t know where an event is taking place. We can help!

Join a club

There are tons of student organizations on campus, and at the beginning of each year, each group sets up a table at the Involvement Fair to share what they do and recruit new members. Want to start something new? Just contact the Office of Student Engagement to learn the steps.

Make change happen: shared governance

The Honor Code entrusts students to take ownership of their academics and their campus. Through this shared governance, students have real influence on how the College runs.

Student Government Association (SGA)

- SGA’s Assembly is divided into four branches: Executive Board, Chairs Council, House Senators and Class Presidents.
- Your Class Council consists of a class president, vice president, chief of communications, Student Activities Council (SAC) representative and Honor Council representatives.
- SGA is a great way to voice your concerns or opinions and make policy changes to help benefit the College. Any student can attend SGA’s weekly meeting, which takes place on Thursdays at 7:15 p.m.
- Members of the Executive Board and Chairs Council host office hours, when you can meet them individually and ask questions.
- Executive Board, Chairs Council and Class Council elections take place in the spring for the following year. Elections for house senators and Class Council for the Class of 2020 will take place in the fall, once you arrive.

*Turn to page 31 for a full list of athletic organizations.
Student Activities Council (SAC)
- The council organizes social and cultural activities.
- It promotes awareness of various issues on campus.
- First-year representatives will be elected in the fall and will serve as members of both their Class Council and SAC.
- SAC provides co-sponsorship and will help individual student organizations fund and promote their events.
- SAC works closely with the Office of Student Engagement and produces some of Connecticut College’s long-standing student traditions (see page 22).

Honor Council
- The Honor Council is charged with upholding the Honor Code and addressing conduct violations. The Honor Code entrusts students with unproctored, self-scheduled exams.
- Breaches of the academic, social or residential aspects of the Honor Code will result in a hearing before the Honor Council or a member of the Student Life staff.
- You’ll matriculate by signing the Honor Code and pledging to abide by it.
- Each class elects Honor Council representatives to serve on the committee.

College Committees
Students, including SGA members, are encouraged to serve on decision-making committees alongside faculty, staff and senior administrators. Sometimes these committees even report to the president or the Board of Trustees. Committees include but are not limited to Facilities and Land Management, Student-Designed Majors/Minors Committee, Campus Safety Committee, Dining Services Committee, Educational Planning Committee, and the Priorities, Planning and Budget Committee.

Volunteer
The Office of Volunteers for Community Service (OVCS) guides student engagement in community learning internships, volunteer positions and local activism.
- OVCS and its partner agencies and institutions in New London hold a community fair on campus each semester to help students learn about opportunities within mentor and tutorial programs, human service agencies, museums, and health care institutions.
- OVCS implements an orientation, training and reflection component for students to engage in diverse communities in ethical and collaborative ways.
- OVCS provides transportation to sites throughout New London.
- Campus/community partnerships can take place both on campus and within local communities.

Different kinds of events

There’s plenty to do on campus—something is always happening! SAC, residential houses and student organizations host a wide array of events, including concerts, film screenings, pizza parties, study breaks, off-campus trips, lectures and faculty-led discussions.

Student Engagement events

Student Engagement hosts a series of late-night events, including Camel Bingo, themed game shows, trivia nights, comedy performances, live music and more.

GO! (Get Out) are trips to local and regional destinations. Recent trips have included visits to the Jack-o’-lantern Spectacular and New London’s Fall Food Stroll, a visit to an alpaca farm, late-night excursions for after-hours meals at local restaurants, and live theater performances at the Garde Arts Center in New London and the Bushnell Theater in Hartford.

@CCSEPA

Student Activities Council (SAC) events

SAC is a student-run organization that puts on events and productions on campus. Learn more about SAC on page 21, in the Shared Governance section.

SAC hosts concerts, trivia events, dances, GO! trips and many other activities throughout the year. SAC’s biggest event of the year, Floralia, is an outdoor music festival featuring plenty of performances, food, novelty events and fun for all.

Cultural events

- Student organizations such as the International Student Association, Umoja, CCASA, Spectrum, La Unidad and MEChA hold events celebrating diversity and promoting awareness.
- All music department performances are free for students. Just bring your Camel Card.
- Annual events include Black History Month, Latino Heritage Month, Asian Pacific American Heritage Month, Native American History Month, Fusion, Drag Ball and Eclipse.
- Eclipse and Fusion are annual performances that capture the diversity of Connecticut College through lively dance pieces. All students and alumni are invited.

**Academic events**
- Departments sponsor popular lecture series to stimulate intellectual discourse.
- Pizza and Profundity, sponsored by the philosophy department, allows students to engage in philosophical discourse over a slice of pizza.
- A group of 11 faculty members called REFs (Residential Education Fellows) help create social and academic events and programs in the houses. See page 14.

**Simply hang out**
There are a million places to hang out with friends, read, do homework or sunbathe on campus. In addition to the coffeehouses listed on page 17, you might choose to spend some time in one of these spots:

**The Arboretum**
- All 750 acres of campus are managed as an arboretum. It includes the 445 acres of natural area maintained by the Botany Department. The Caroline Black Garden, next to Vinal Cottage (E4), is one of the nationally recognized sections of the Arboretum.
- An outdoor amphitheater provides rehearsal and performance space.
- Buck Lodge is used for gatherings and meetings by campus groups and visitors.
- It’s a beautiful place to walk, hike, study, picnic or just sit and think.
- It’s open every day until sunset. Maps and information are available at the Arboretum office on the first floor of Olin (E3).

@CCarboretum | fb.com/ConnecticutCollegeArboretum | Insta: CCarboretum

**Lambdin Game Room**
- Play table games including foosball, table tennis, air hockey and pool.
- The room also has board games, a poker table, puzzles, wall-mounted televisions, an in-house sound system, and comfy couches and chairs.

**LGBTQ Resource Center (G3)**
- The center serves as a resource for the entire College community to learn about issues related to gender identity and sexuality.
- It provides a guide for students to identify faculty with expertise in LGBTQ and/or gender and sexuality studies.
- Organizations on campus are invited to reserve space in the center for meetings and events.
- It is a comfortable place for students to study, watch movies, talk and relax.

@CC_LGBTQcenter | fb.com/CCLGBTQ
Office of Sustainability at Steel House (B4)

- Sustainability is rooted in the College’s educational mission, and it is very important to our campus community that we balance the three components of sustainability: social equity, economic well-being and environmental stewardship.
- Students play a huge part in developing and achieving sustainability goals, and an even bigger part in planning and implementing sustainability programs on campus.

@CCsustainable | Insta: CCsustainable | fb.com/CCsustainable

International Student Center (F1)

- The center is located in the basement of Harkness Chapel.
- It features a small kitchen, meeting space and resources for international students.

Unity House (G4)

- The College’s multicultural center supports underrepresented and first-generation college students and advises cultural student organizations.
- It contains a resource library, kitchen and multipurpose room that students, staff and faculty can reserve.
- The multipurpose room is a great place to relax and watch TV as well as hold meetings, banquets and discussions.

@ConnUnity | fb.com/CCUnityHouse

Zachs Hillel House (H4)

- Zachs Hillel House is a home-away-from-home for students that supports Jewish life and promotes intellectual, spiritual and social growth for the entire campus community.
- Upstairs features a multipurpose room for meals, lectures, meetings and studying; a kosher kitchen; a conference room; and a small library.
- The downstairs recreation room is a great place to hang out with friends. The televisions, pool table, Ping-Pong table and board games are available for use 9 a.m.-11 p.m. daily.

The Women’s Center (G3)

- The center can be found on the lower level of Smith-Burdick.
- The center provides a safe and welcoming environment for everyone to engage and discuss gender-related topics.
- Comfortable couches, Keurig coffee, a TV, books and resources on gender issues are available.

YOUR EDUCATION
Academics

Connections: The New General Curriculum

Connecticut College’s new general curriculum, called Connections, builds on the College’s historic strength in the liberal arts and will strengthen the academic experience for you and all future students. Spanning all four years of your undergraduate experience, Connections will challenge you to think across disciplines, expand your problem-solving skills and develop an appreciation for the complexity of cultural understanding.

Enhanced First-Year Seminars
Soon, you will select your first-year seminar through the online enrollment guide. First-year seminars have been a part of the Conn experience for many years, but they have been redesigned to provide more opportunities for you to engage with other students and the broader community. They offer a forum for exploring issues of equity and inclusion from different perspectives, and encourage you to begin thinking openly and creatively about not only college, but also your life after college.

Team Advising
You will be supported by a team advising system that includes your first-year seminar instructor, a staff member and one or more student peer advisers, who will work together to provide the support and guidance you need to make the most of your college experience. You’ll meet your advisers during Orientation, where you will discuss your educational plans and choose the rest of your courses for the semester.

There’s endless academic support at Connecticut College. In addition to your team advisers, you’ll find professors, staff and other students on campus who can help mentor and guide you in your academic and extracurricular pursuits. When you declare a major, you’ll also get a major adviser in your field. See the Academic and Community Resources on pages 34-36.

Your class dean is always available to answer your questions about academics or your first-year experience. Incoming first-year students can contact the Dean of First-Year Students at 860-439-2050. Sophomores and international students can contact the Dean of Sophomores and International Student Adviser at 860-439-2050. Dean of Juniors, Seniors and Transfers can be reached at 860-439-2053. Or email doc@conncoll.edu with your questions.

ConnCourses
During your first two years at Conn, you will take at least one ConnCourse, where you will connect areas of the liberal arts and explore different modes of thinking. Working in an intellectually stimulating and exciting environment, students from all backgrounds will make lasting connections across fields of study and to the world beyond the classroom. Many ConnCourses across all academic areas are

26
available for you to choose from. Be sure to discuss these options with your advisers during Orientation.

**Integrative Pathways**

Integrative Pathways are a faculty-designed series of courses that weave through your entire Conn experience and offer you an opportunity to achieve academic integration within a broad intellectual framework. Every Pathway will be organized around a central theme and will expose students to at least four of five different modes of intellectual inquiry, including creative expression, critical interpretation and analysis, quantitative and formal reasoning, scientific inquiry and analysis, and social and historical inquiry. Because not all Pathways are available yet, students may choose to complete courses in all five modes of inquiry instead of enrolling in a Pathway. Your advisers can help you think through these options.

The following Pathways are approved, and more are in development:
- Eye of the Mind: Interrogating the Liberal Arts
- Global Capitalism and Its Consequences
- Peace and Conflict
- Public Health
- Social Justice as Sustainability

**Honor Code**

- The Honor Code is taken *very* seriously by students and faculty, and it is an integral part of Connecticut College.
- The primary goal of the Honor Code is “to maintain an atmosphere of fair academic competition and mutual respect for individual rights.”
- It provides academic and behavioral guidelines that promote a spirit of integrity and mutual respect among students and faculty.
- Our Honor Code is one of the most extensive student-enforced codes in collegiate America.
- This system is the foundation of student shared governance and permits students to have unproctored and self-scheduled exams.

There will be a mandatory workshop on the Honor Code during Orientation, at which you’ll sign the Honor Pledge. Only after you sign this pledge will you have officially matriculated.

Refer to Student Rights and Responsibilities in your Student Handbook for more information.

[www.conncoll.edu/honor-code](http://www.conncoll.edu/honor-code)
Choosing Courses

You will select your first-year seminar in June, and register for the remainder of your courses at Orientation. You’ll discuss your choices with your advisers and work out a schedule for the fall semester. You will need to complete both Connections requirements and the courses for one major in order to graduate. A balance between reading/writing and daily work courses is recommended. One advantage of a liberal arts education is the opportunity to choose a variety of courses across subject areas. Challenge yourself to try subjects that you’ve never studied before!

Majors

- You must declare a major by March 31 of the second semester of your sophomore year.
- Work with your advising team to enroll in a variety of classes your first semester so you can find something you’re passionate about studying for four years.
- Don’t feel pressured to know what you want to do right away.
- By taking classes that interest you, you’ll also likely fulfill several of your Connections requirements.

The Centers

- The College’s academic centers provide challenging opportunities that encourage the exploration of issues across traditional disciplines.
- Each center has its own selection process, which takes place during sophomore year.
- Four of these centers offer certificates that can be combined with any major. Earning a Center certificate also fulfills your Pathway requirement:
  - The Ammerman Center for Arts & Technology (CAT)
    @AmmermanCenter | fb.com/AmmermanCenterforArtsandTechnology
  - The Goodwin-Niering Center for the Environment (GNCE)
    @GNCEconncoll | fb.com/GoodwinNieringCenterForTheEnvironment
  - The Holleran Center for Community Action and Public Policy
    @HCPica | fb.com/pica.holleran
  - The Toor Cummings Center for International Studies and the Liberal Arts (CISLA)
    @ConnColICISLA | fb.com/ConnColICISLA
- The Center for the Comparative Study of Race and Ethnicity (CCSRE) doesn’t currently offer a certificate, but has many other opportunities for students to get involved.
- Interested in a center? Attend information sessions at the beginning of the academic year.
The Arts

► Any student can audition for any theater production. You don’t have to be majoring in theater to audition for or take part in a production.

► There are seven a cappella groups and two choirs on campus. Refer to the list of campus organizations on page 20 for more details.

► Music lessons are free but require an audition at the beginning of the year.

► onStage at Connecticut College features nationally and internationally known artists; student tickets are half-price.

860-439-2787 | http://onstage.conncoll.edu

► The theater and dance departments and independent student groups offer entertainment throughout the year.

► You can participate in or attend voice and instrumental recitals, Dance Club, Wig & Candle, MOBROC, N2O and RefleXion performances, a cappella concerts, and much more!

► Most events are listed on the College calendar, and many are publicized through CCLive on Twitter and ConnQuest.

HINTS & TIPS:
Auditions for theatrical productions and a cappella groups are held during the first few weeks of classes. Be sure to prepare a few monologues and/or songs if you plan to try out.

HINTS & TIPS:
Thanks to a generous gift, all Connecticut College students are eligible for free music lessons! When you arrive, talk to the music department to learn more.

Intramural Sports

- Intramurals are the most casual way to compete in sports here. Games are scheduled on nights and weekends.
- Fall: 3-v-3 Basketball, Softball, Dodgeball | Spring: Coed 5-v-5 Basketball, Indoor Soccer, Mixed Doubles Tennis.
Facilities

- **Ann and Lee Higdon Fitness Center (G5)** has state-of-the-art exercise equipment and soaring glass walls that provide abundant natural light and commanding views of the Thames River and turf events. There’s also space for aerobics, dance, spin classes and other sports programs.

- **Luce Field House (G5)** has three multipurpose rubber courts for pickup basketball and tennis, and foul-weather space for spring sports; two wood-floor gyms for competition in volleyball and basketball; five squash courts; two racquetball courts; a climbing wall; offices for the Department of Physical Education & Athletics; a training room; an equipment room; locker rooms; meeting space; and the Athletic Hall of Fame.

- **Lott Natatorium (G5)** includes the pool and diving area.

- **The Christoffers Rowing Training Room (G5)** provides a year-round training facility for the rowing teams.

- **Dayton Arena (H5)** houses the ice rink for our varsity teams, club teams and open skating for the community.

- **Silfen Track and Field (G6)** is open to varsity, club and recreational use in track, cross-country, soccer, lacrosse and field hockey.

- **The boathouse** is located on the Thames River and serves the sailing and rowing teams.
RESOURCES
Academic Resources

**Academic Resource Center (F2)**

- The Academic Resource Center (ARC) provides students with tutoring, workshops and group study sessions to help students reach their highest potential.
- The center offers academic assistance and help with time management and study skills. It includes the Roth Writing Center, Student Accessibility Services and a new quantitative skills program.
- The ARC is located on the second floor of Shain Library (F2) and includes offices for the staff, group meeting rooms and tutoring stations.

@CC_ARC | fb.com/ConnCollegeARC

**Roth Writing Center (F2)**

- Located in Blaustein 214, the Roth Writing Center offers one-on-one peer tutoring by appointment or on a walk-in basis and welcomes writers of all levels.
- Tutors can help you with any element of writing, from grammar to organization to pushing your ideas. They can even help you brainstorm if you haven’t started yet!
- It’s open weekdays when classes are in session and during exam periods. All services are free of charge. Students can use the center to help with any courses that involve writing.

@ConnCollWrites

**Student Accessibility Services (F2)**

- Located in the Academic Resource Center on the second floor of Shain Library, Student Accessibility Services provides information and services for students with disabilities and makes referrals to appropriate on- and off-campus resources.
- This office registers students with disabilities and coordinates requests for accommodations as well as on-campus services for registered students.
- It provides direct services to students, including learning strategy and self-advocacy training sessions and learning disability evaluations.

**Office of Career and Professional Development (E4)**

- The Office of Career and Professional Development, located across Mohegan Avenue in Vinal Cottage, with a satellite office on campus at Main Street West, offers a four-year comprehensive career and professional development program.
- Through the Funded Internship Program, all students may be eligible for College funding to support an internship during the summer between the junior and senior years.
- Dedicated Career Advisers connect with all first-year students through their first-year seminars and continue to work with students during their four years at Connecticut College. Advisers assist students with skills assessment, resume building, professional communication, interview skills, job and internship search strategies, and graduate school and fellowship applications.

Community Resources

Campus Safety (C4)
- The field office is located at the main gate by Fanning Hall (E3). Campus Safety officers staff the gatehouse 24 hours a day.
- Visit the Camel Card office (G2) for keys, motor vehicle registration/parking tags (non-first-year students) and Camel Cards.
- Visit Nichols House (C4), the Campus Safety main office, for bicycle registration, personal property registration, lost and found, and parking ticket appeal forms.

Student Health Services (F2)
- Located in Warnshuis Health Center, Student Health Services offers primary care and health education.
- Nurse Practitioner visits are free for all students, but medications, supplies and in-clinic labs are billed to student accounts. Student Health Services does not bill insurance for visits or tests.
- Physician clinic visits are available by appointment only, and do incur a cost.
- Common prescription medications are available and dispensed at wholesale cost, or prescriptions can be written and then delivered daily by a local pharmacy.
- Providers refer to local specialists, if necessary.
- Students have access to a health portal that allows online scheduling and the ability to view and print some of their health care and billing information.
- Student Health Services features an onsite phlebotomy lab/drawing station.
- Information on where to seek care after hours and on weekends is available on the Student Health Services website.
- Hours are listed at the back of this book and on CamelWeb.

@CamelHealth

Student Counseling Services (F2)
- The office is located in Warnshuis Health Center.
- Personal counseling is offered by a staff of skilled clinicians.
- Services are completely confidential and free of charge to all students.
- Medication evaluations and maintenance are provided by a consulting psychiatrist for a fee.
- Referrals to off-campus providers are available.
- Support groups for a variety of college mental health issues are offered.
- Hours are listed at the back of this book and on CamelWeb.

@CamelHealth

Think S.A.F.E. Project (G2)
- Located in Cro Room 222, the Think S.A.F.E. (Sexual Assault-Free Environment) Project offers students information and advocacy on issues of sexual assault, dating/domestic violence and stalking.
- The project also provides violence prevention education and programming on campus, including the bystander intervention program Green Dot, and advises SafetyNet and the 1 in 4 student organization of peer educators.

@ThinkSAFEProj | fb.com/ThinkSAFEProject | Insta: ThinkSAFEProj |
Student Wellness and Alcohol/Drug Education (G2)

- The office of Student Wellness and Alcohol/Drug Education is located in Cro Room 223 and provides information about healthy living on campus with a focus on health promotion.
- The office offers programming on health and wellness topics, including nutrition, and holds educational sessions about alcohol and other drug use.

ALANA Brothers and Sisters Mentoring Program

- ALANA stands for African, Latino, Asian and Native American students.
- The program matches incoming students of color and first-generation college students with upperclass mentors to provide support as they navigate their first year at Connecticut College.
- For information about this program, stop by Unity House Multicultural Center or visit www.conncoll.edu/campus-life/unity-house/

LGBTQ Student Advisers

- Upperclass students who are involved with the LGBTQ community are trained to serve as a resource for incoming students in getting acclimated to the campus culture and learning about available resources.
- Student advisers organize a series of social and educational events for incoming students during the first few weeks of classes.
- Incoming students may be paired with individual LGBTQ student advisers for friendship and support. This is an optional component of the program.
- New students should be sure to attend the LGBTQ Center’s annual kickoff ice cream party, held the night before classes begin.
- For more information, visit the LGBTQ Resource Center website http://www.conncoll.edu/campus-life/lgbtq-life/

International Student Support

International Adviser

- The adviser mentors students who have had the experience of balancing two or more cultures.
- If you’re a new international student (that is, you’re a citizen of a country other than the U.S., a dual citizen or a U.S. citizen who has been living abroad), you’ll be assigned an international adviser.
- The adviser helps with course selection, cultural and linguistic differences, etc.

International Student Host Family Program

- This program pairs international students with faculty and staff “host” families who act as mentors and friends. It is a wonderful way for both the student and the host family to learn more about each other’s cultures and customs and take part in activities together.
- Activities may include getting together for a cup of coffee or lunch, or getting off campus for a shopping trip, a sporting event or to visit local places of interest.
- The program has proven to be a valuable experience and fun for both families and students.
- To be matched with a host family, contact International Student Adviser Carmela Patton at cpatton@conncoll.edu.
Library & Tech Resources

At Connecticut College, all your library and technological needs fall under one division: Information Services (IS). IS staff includes the reference librarians, archives staff, IT Service Desk staff, instructional technologists and network services.

@ConnCollegeIS

Libraries

Charles E. Shain Library (F2)

Shain Library is Connecticut College’s main library. In March 2015, Shain reopened five months early following a $9.8 million renovation. The award-winning building is the hub of academic and social life on campus, where students, faculty and staff go to study, research, hold meetings, attend lectures and grab a cup of coffee.

- Located at the center of campus, across from Branford and Plant houses, Shain Library provides access to more than 1 million print volumes and e-books, an extensive collection of full text databases and academic journals, along with DVDs, computer labs, advanced technologies, study space and the Blue Camel Cafe.
- Librarians can help you with your research projects and point you toward the resources you need.
- Shain Library is home to the Linda Lear Center for Special Collections and Archives. Interested in the history of Connecticut College? That’s where to do some research.
- The library belongs to a partnership that allows the Connecticut College community to borrow books from Trinity College and Wesleyan University, meaning 2 million titles are available to you through a daily delivery service.

Greer Music Library (D3)

Greer Music Library is the College’s secondary library location and serves all students, not just those studying music and the arts.

- Located on the lower level of the Cummings Arts Center.
- Check out books, scores, recordings and DVDs; use the array of computers and audio/visual equipment available in the library; use special software to compose music; play an electric piano in the piano lab.
- Explore the extensive collection of books, reference sources, scores, periodicals, recordings and A/V materials; discover the diverse selection of music databases.
- Consult with knowledgeable and experienced library staff for help with music research; schedule a personal research consultation with the music librarian.

Surfing, Printing, Fixing and More

Getting Connected
Most of the campus is fully wireless, so you can use your laptop or other wireless devices to access the internet from your room, the library, classrooms and many locations outside.

You can access many resources with the College’s communications network:
- Online library system.
- Academic software and class materials.
- Email, the internet and CamelWeb (the campus intranet).

IT Service Desk
Have a problem? Fill out a ticket with the IT Service Desk at webhelpdesk.conncoll.edu. You can also get in touch with the Service Desk by calling 860-439-4357 (HELP) or on Google Chat at help@conncoll.edu.

The IT Service Desk is located in the lower level of Shain Library (F2) and is staffed during the day and evening hours. Drop by to get your questions answered.

Printing
- You don’t need to bring a printer to campus—you can print anything you need from your room by emailing it, using your CC email address, to Camelprint@conncoll.edu for black-and-white copies, and camelprint_color@conncoll.edu for color copies.
- Students can print to any printer on campus. This includes printers in academic buildings, staff offices, libraries and other locations.
- All students receive a $30 credit for printing.
- Black-and-white prints are 5 cents each, and single-sided color prints are 9 cents each.
- For information on student printing, go to www.conncoll.edu/printing-and-mailing.
Computer Labs & Research Spaces

- Three main computer labs and electronic classrooms are located in Shain Library.
- Several smaller labs throughout campus provide PC and Mac computers.
- Electronic classrooms contain PC and Mac computers with printers, course software and peripherals such as scanners.

Additional Resources

- The Advanced Technology Lab allows you to work with faculty to study and to use and create new technologies.
- The Language and Culture Center is a media center promoting language and intercultural learning.

BEYOND CONNECTICUT
Work and Money

Spending Money
- The first few weeks, money disappears very quickly on expenses such as books, room decorations, snacks and movies.
- Textbooks can cost up to $600 a semester, depending on your courses (science and art history tend to be the priciest).
- The Bookshop in Cro sells new and used books, notebooks, and other supplies.
- At the end of the semester, you can sell your books back to the Bookshop for a percentage of the original price.
- The Bookshop will price-match cheaper books found elsewhere.
- You can rent your textbooks through the Bookshop at deeply discounted prices; visit www.rent-a-text.com to find out more.

Banking on Campus
- Many students find it convenient to have a checking account so they don’t have to keep cash around.
- Not from Connecticut? It may be easiest to open an account at a New London bank.
- Local bank representatives will be on campus on Arrival Day and during your first week to provide information and open accounts. RBS Citizens Bank owns the ATM in Cro.
- MasterCard and Visa are accepted by the College bursar in the accounting office in Fanning Hall for payment of miscellaneous College bills (but not tuition bills).
- You can use CCPay to make online payments. Please contact the bursar with any questions. To make an online payment:
  1. Log in to Self Service (from CamelWeb, use the Self Service tab).
  2. Select the Student tab and look for the CCPay menu option in the middle of the list.
  3. Click this menu option and you will be brought directly into CCPay.
  4. Select Make Payment from the menu options on the left.

Money and Your Camel Card
- Your Camel Card does much more than get you access to residence halls. It holds $30 in printing funds. It comes with $45 in Dining Dollars, for use at Oasis and other snack and coffee spots on campus. It also holds Camel Cash, money that can be used for laundry and vending, and at the Bookshop and other locations. Camel Cash can also be used when you run out of Dining Dollars.
Campus Jobs

- Students with and without Federal Work Study can apply for campus jobs with an application from the Financial Aid office in the Larrabee Annex (G3).
- Students working on or off campus MUST complete an **Employment Eligibility Verification** (EEV) form. Please refer to the listing on page 9 of the EEV for acceptable forms of ID for the financial aid office.
- You’ll find jobs in administrative offices, the dining halls, library, music library, Post Office, theater, box office, Athletic Center and other areas.
- Many offices give hiring preference to work-study students.
- Divisions that hire non-work-study students include the theater department and the offices of Communications and Advancement (both in Becker House).
- Arrange your work schedule after your academic schedule is set!
- Check CamelWeb periodically for the latest job postings.

HINTS & TIPS:

*If you are going to work on campus, you must bring your original, unexpired forms of identification, such as a passport and driver’s license. Make sure they’re valid.*
like most college towns, New London and the surrounding area offer a lot of the usual suspects for snacks, room essentials and supplies: Walmart, Target, Home Depot, ShopRite, Stop & Shop, Bed Bath & Beyond and HomeGoods. But once you’ve got your Brita and your bed risers, there are a bunch of cooler, quirkier places to explore throughout the year—in New London and beyond.

New London

Fiddleheads Food Co-Op is your one-stop shop for local and organic groceries. Kamp Dog, next door, is a greasy spoon kinda place with short hours but amazing chili dogs. The Garde Arts Center hosts many impressive cultural events, including a Winter Film Festival and lots of concerts. Pop inside to take a look at the lobby and theater, a historic 1926 building with a Moroccan feel.

Sweetie’s offers an impressive selection of grilled cheese sandwiches and panini, but don’t forget to save room for a whoopie pie or cupcake.

Looking for a cozy coffee shop to curl up with a latte and a good (text)book? Muddy Waters and Bean & Leaf Cafe are essential. Muddy Waters feels like your grandmother’s living room, with couches and coffee tables and mouthwatering baked goods aplenty. Bean & Leaf serves coffee and sandwiches during the day, then becomes a full restaurant, Dev’s on Bank, at night.
To get a taste of all that downtown offers, don’t miss the annual Food Strolls!

Hungry for more than food? The Flavours of Life store offers fair-trade jewelry, clothing and handcrafted goods. The Hygienic Art Galleries and Art Park showcases the work of local artists and musicians at events throughout the year. The Salvation Army Thrift Store and the New London Antiques Center on Bank Street are under-the-radar gold mines for vintage clothing and other must-haves.

When it’s warm, be sure to check out Ocean Beach, then stop by Michael’s Dairy on Montauk Avenue on your way back to campus for huge scoops of ice cream.
Being on the coast means there are beautiful beaches in most of the shoreline communities, including public beaches in Waterford and Niantic to the south and Groton to the north.

Just beyond Groton and only a 10-minute drive from campus is Mystic, a quintessential New England coastal town. Yes, you’ll still find the famous Mystic Pizza, but Pizzetta also has tasty pies. Stop by Bartleby’s or Green Marble Coffee for a caffeine fix before exploring many of the quaint shops on Main Street. Looking for an independent and locally owned bookstore? Bank Square Books can order anything and hosts great events, often with well-known authors.

More into used books? Seek out the Book Barn in Niantic. You could spend a day and a half in their several locations and see only a fraction of their books!

Hartford, the state capital, is less than an hour from New London. Catch a play at Hartford Stage, go shopping at Westfarms Mall or Blue Back Square in West Hartford, or check out exhibits at the Mark Twain House or the Wadsworth Atheneum Museum of Art.

New Haven is about a 45-minute drive down I-95 South and boasts an impressive array of shops, restaurants and other cultural attractions, including (but certainly not limited to) Pepe’s Pizza, Toad’s Place, Urban Outfitters, IKEA and Yale Repertory Theatre.

Providence, Rhode Island, is about an hour north on I-95. The city has two cultural attractions that should top your list: the Trinity Repertory Company (amazing plays) and Lupo’s Heartbreak Hotel (great live shows). Providence Place is a great shopping center, and the Italian food in the Federal Hill neighborhood is worth the drive.

HOW TO GET THERE

Bicycle
- The campus offers racks around campus for parking your bike.
- The library lets you check out bikes.
- Downtown New London is a quick 10-minute ride away.
Camel Van

- The Camel Van departs campus on the hour and half hour, providing service to downtown New London (and the station which serves Amtrak, Shore Line East and Greyhound), various malls, supermarkets and local attractions.
- In general, the Camel Van runs Thursday through Sunday, although the hours and days vary slightly each year.
- Pickup locations are the benches along Cro Boulevard adjacent to Smith & Burdick houses.
- The Office of Student Engagement organizes the Camel Van service. You’ll get a complete schedule at Orientation.

Zipcar (car-sharing program)

- Join the program at www.zipcar.com/connecticutcollege. New students receive a discounted annual fee of $25 for the first year and score $35 in free driving. Zipcar’s offer is available over the summer and into the beginning of the first semester.
- Reservations include gas, insurance and 180 miles per day. Rental rates start at $8.50/hour or $69/day during the week and $9.50/hour or $77/day on the weekend.

Train & Bus

- The SEAT Bus, which serves the New London region, runs along Williams Street and stops next to campus, by the Arboretum gate. It’s a $1.50 fare and a quick ride to downtown New London. Head to www.seatbuslive.com for schedules. Purchase fare books with CamelCash at the Campus Post Office or Bookshop.
- New London is served by train (Amtrak.com and ShoreLineEast.com) and bus (Greyhound.com) from Union Station downtown.
- If you’re heading to New York and aren’t in a rush, you can save a little money by taking the Shore Line East to New Haven and then switching to Metro-North.
- Whether taking Amtrak or Greyhound, round-trip travel to any destination will cost far less if you book several weeks in advance.

Plane

- T.F. Green Airport, just south of Providence, is about an hour away from campus.
- Bradley International is north of Hartford, about 1 hour and 15 minutes from New London.
- Taxi service to these airports ranges from about $105 to $120.

The Flying Camel Airport Shuttle

- The shuttle, to and from New London Union Station and T.F. Green Airport, is available around Thanksgiving and winter, spring and summer breaks.
- The College partners with a transportation company to offer students a discounted fare for shuttle transportation, billed to individual student accounts.
- The Office of Student Engagement organizes this service and will provide students with pricing and reservation information before each academic break.
