FEDERAL PERKINS LOAN

Sometime in August each year, Financial Aid Services will send a message to your Connecticut College email address letting you know when you can start completing your online Perkins loan requirements for the new academic year.

Annual Loan Requirements for All Federal Perkins Loan Borrowers:
1. Entrance Counseling (first year only)
2. Master Promissory Note (MPN) (every year)
3. Truth in Lending Disclosure (TLID) (every year)
4. Loan Interview Worksheet (every year)

Once you receive the aforementioned email, log onto IPromise on the Campus Partners website. Link: https://ipromise.campuspartners.com.

FIRST TIME borrowers will first have to register on the IPromise system in order to receive a user ID and password. You will choose security questions. Please remember that the answers are case sensitive and must be exact – i.e. if you chose your school name for your question and you inputted West City High School; incorrect answers would be: west city high school or West City etc. Questions must be answered exactly the way they were originally answered. Then you are ready to complete your requirements.

RETURNING borrowers will need to log into the IPromise system and complete all requirements. If you need to retrieve your login information, you can do so by clicking on “forgot my user id / password“ and answering the security questions that you have previously set up -- or you can call Campus Partners directly (1-800-334-8609).

Once you are logged in, you must click on and complete each item in the order it is listed. You are not finished until all items say either “completed”, “e-signed” or “accepted”.

IPROMISE TIPS:
- You must use a PC. Macs are not compatible with the IPromise system.
- You must use Internet Explorer. Firefox, Safari, etc are not compatible.
- You will need your FAFSA PIN in order to complete the IPromise process. You can retrieve your FAFSA PIN by going to www.pin.ed.gov. Click on “Request a Duplicate PIN”; answer the questions and the system will give you your PIN.

Please contact Financial Aid Services with any questions: 860-439-2058 or finaid@conncoll.edu.
