Sustainable Transportation Fellow
Office of Sustainability

Description
As Connecticut College continues to expand its efforts to become a model of sustainability within higher education, an important area of emphasis is transportation. The College continues to support the establishment of new programs and policies that enhance the use of sustainable transportation by all community members. The Sustainable Transportation Fellow will support the Office of Sustainability in collaborating with people across the community to expand existing and create new programs that simplify and promote the use of sustainable transportation among campus community members.

The Sustainable Transportation Fellow will have the following responsibilities:

- Continue to pursue the establishment of electric car charging stations around campus
- Formalize, prompt, and administer a Rideshare Program for the campus community through the new CamelList program on CamelWeb
- Promote the use of the SEAT bus by all campus constituents
- Promote and support bike rental/sharing opportunities offered by Spokespeople and the CC Cruisers Program. Write grant for bike shelter for the CC Cruisers Program
- Design and implement Community Based Social Marketing campaigns that discourage unnecessary point-to-point driving on campus
- Positively contribute to the welcoming atmosphere of the Office of Sustainability
- Attend various Office of Sustainability sponsored events
- Other duties as assigned

Requirements

- Proficient with Excel, Word, and PowerPoint
- Strong interpersonal skills
- Excellent writing and analytical skills
- Comfortable working with a variety of campus constituencies (staff, students, faculty)
- General knowledge of holistic sustainability and transportation systems in the area

Compensation
Mandatory participation in 2-credit Applications of Sustainability Seminar (SUS 293) that meets Fridays from 11:50am-1:05pm. The course is taken pass/fail.

Supervisors
