This year, Connecticut College Camels will need to take extraordinary steps to keep our community healthy and stem the spread of COVID-19 across campus and into our communities. As a member of the Connecticut College community, I understand I must take responsibility for my own health and adhere to the campus COVID-19 expectations to protect the health of the faculty, staff, and students.

AS A CAMEL, I PLEDGE TO:

1. PROTECT MYSELF
   ■ Monitor for the symptoms of COVID-19 and report to medical professionals if I experience a fever of 100.4 F (38 C) or higher, dry cough, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat or loss of taste or smell.
   ■ Wash my hands often with soap and water or use hand sanitizer

2. PROTECT OTHERS
   ■ Maintain appropriate social distancing (at least six feet), especially in classroom settings and common spaces on campus
   ■ Wear a face mask at all times (with a few exceptions noted in the College’s face mask guidelines)
   ■ Stay home if I feel ill
   ■ Abide by the directions for isolation and quarantine housing if I test positive for COVID-19 or have been notified that I have been exposed to a person testing positive
   ■ Be positive, sensitive and helpful to anyone around who may be troubled or struggling
   ■ Abide by Connecticut’s COVID-19 travel advisory including quarantine orders

3. PROTECT CONN
   ■ Keep my clothing, belongings, personal spaces and shared common spaces clean
   ■ Participate in testing and contact tracing to preserve the wellness of the community
   ■ Carefully observe instructional signs and follow directions
   ■ Limit my interactions off campus and do not invite guests to campus

Student expectations are further expanded upon in the Agreement to Abide by College Health and Safety Requirements and Policies signed by each student.

Faculty and staff expectations are further expanded upon on the Information for Faculty and Staff section of the Path Forward website: www.conncoll.edu/pathforward
