

# WELCOME TO CONN!

## DRIVING TOUR

We're happy that you're here for a driving tour of our beautiful campus. In order to ensure your safety and that of our students, faculty and staff, please take note of the following:

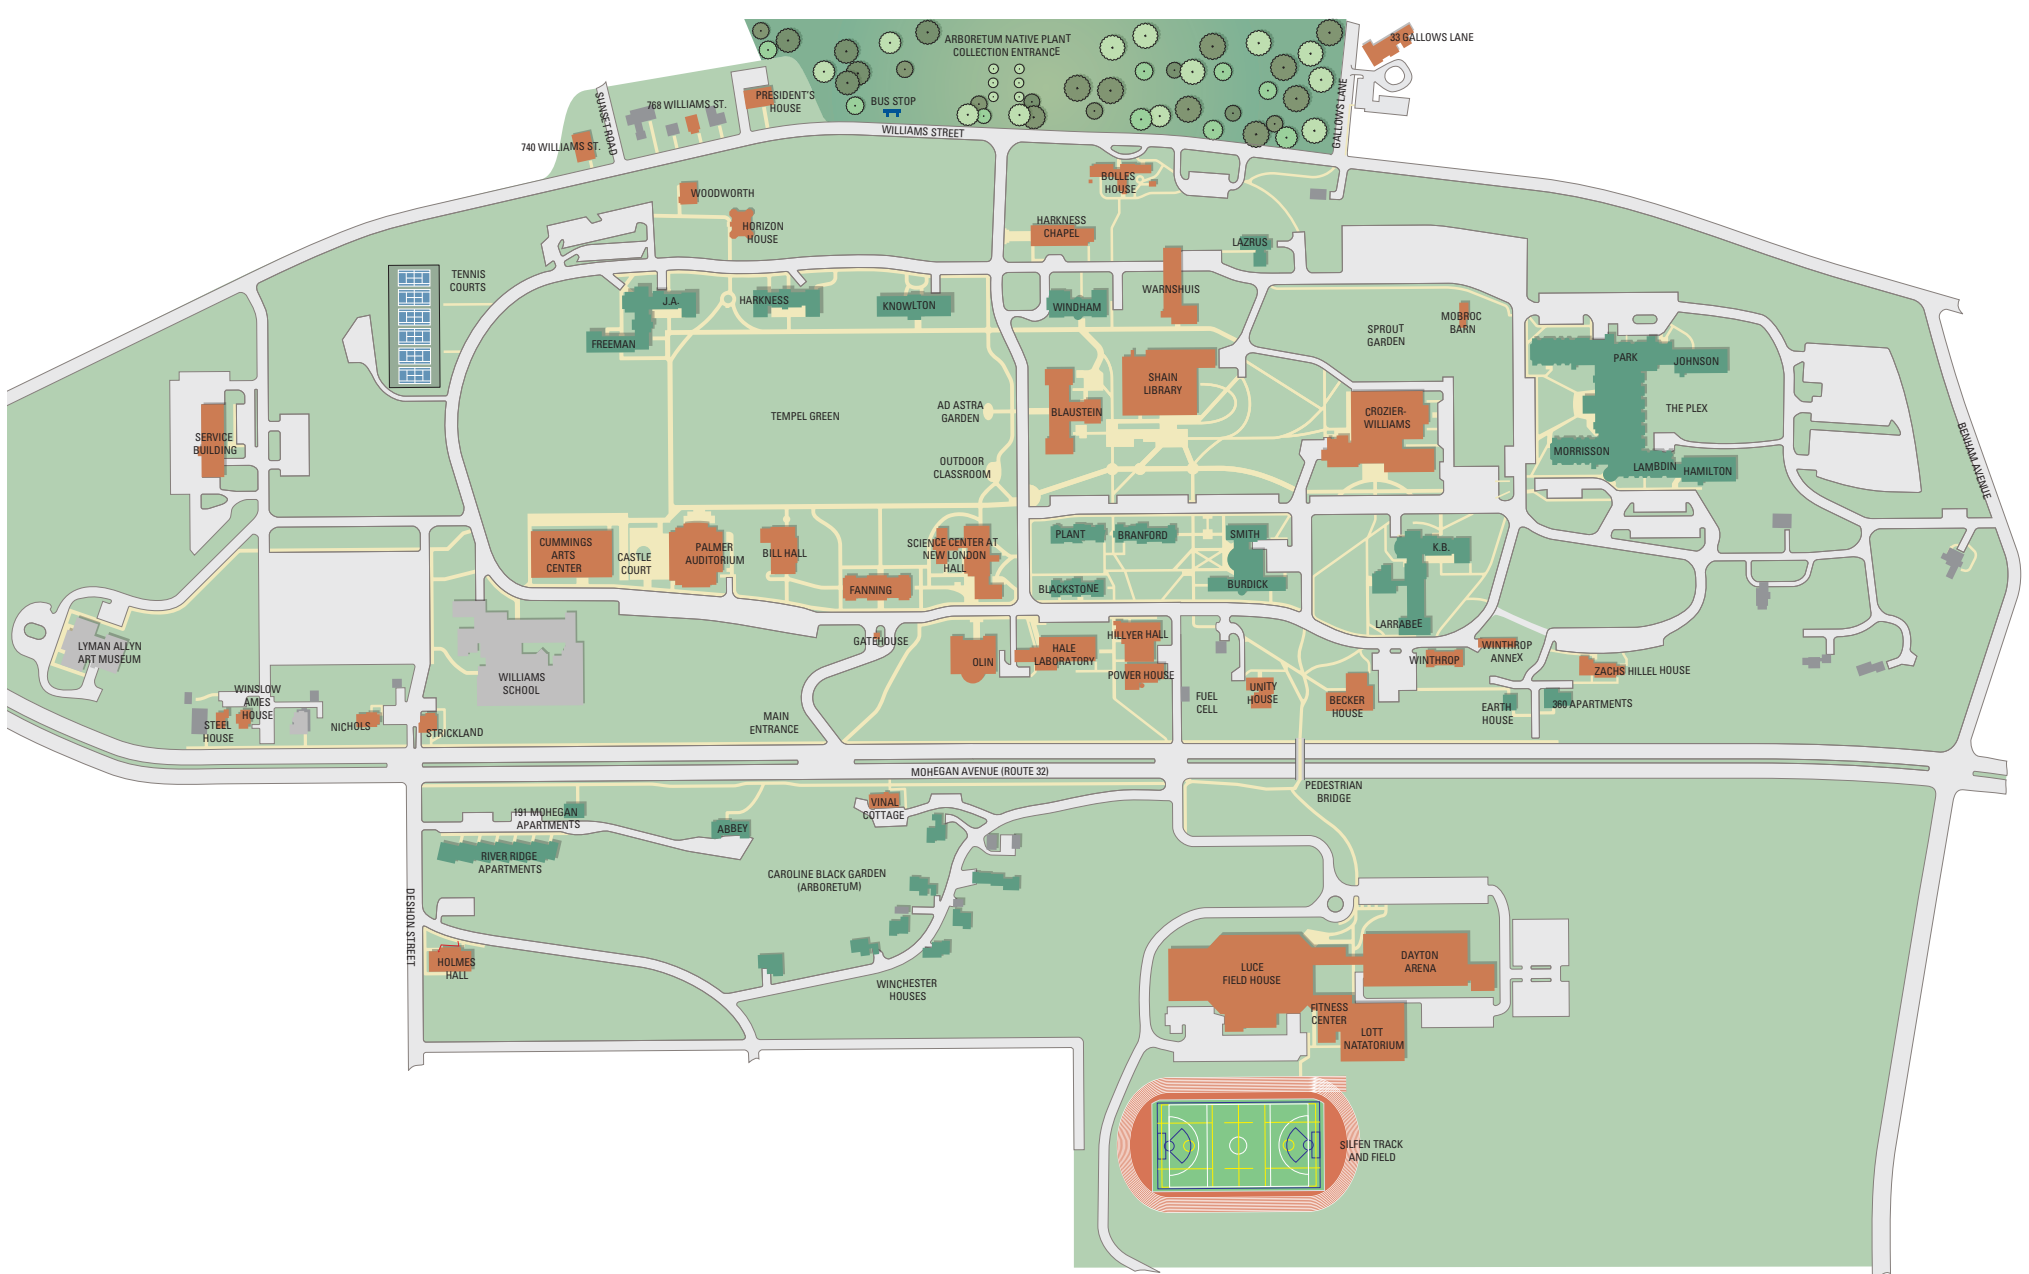

- The campus is open for driving tours every day from 9 a.m. to 4:30 p.m.
- Tours are limited to 30 minutes.
- All occupants must remain in the vehicle at all times.
- Buildings and restrooms are not accessible.
- Our auditorium is undergoing major renovations, so you may encounter a detour or two on your drive.
- If you come across any activities happening on campus during your tour—such as team practices or club activities—feel free to park and watch. Just bear in mind the 30-minute time limit on visits.
- Admission counselors and other staff (including athletic coaches) are not able to meet with you, but please follow up with us after your visit so we can answer your questions. Our contact information is below.
- Finally, watch out for students, squirrels, chipmunks, deer and maybe even camels crossing the road!

Enjoy your tour! And please get in touch so we can answer any of your questions *and* let you know when we will be able to reopen for in-person tours and information sessions!
