## Library & Information Technology

Dear Members of the Connecticut College Community,

As a follow-up to our recent messages about upcoming changes to Google account services, we're reaching out to share helpful resources and clear next steps to guide you through the transition.

---

### **Key Date to Remember:**

Your alumni @conncoll.edu Google account will be deactivated and permanently removed on **March 1, 2026**.

We understand this change may bring questions, and we're committed to supporting you every step of the way with tools, resources, and updates.

---

### **Visit the FAQ & Transition Website**

Find answers to frequently asked questions and follow a step-by-step guide to transfer your data from your ConnColl account to a personal email or storage account.

### **[Alumni Email Transition Resources](#)**

---

### **Start Transferring Your Data**

If you still use your ConnColl email or Google Drive, we strongly encourage you to begin moving important emails, files, and documents to a personal (non-ConnColl) account now to avoid losing access

later.
