From the President
ANDREA E. CHAPDELAIN, PH.D.

As a new academic year begins, President Chapdelaine celebrates the energy of students returning to campus. The fall semester brings many reasons to celebrate, from a new season of Camel Athletics to national recognition for Conn's NAMI chapter as the 2026 NAMI on Campus Club of the Year and the opening of Conn Coffee, a new student-led initiative. The College also recognizes the dedicated work of the Facilities team in preparing the campus for the year ahead and looks forward to opportunities for the community to connect throughout the fall.
