Certificate Program – Faculty Recommendation

Date:

Student Name:

Faculty Name:

Department:

Please return by email to Steve Luber sluber@conncoll.edu by October 17, 2019.

1. In what capacity do you know the student? (courses, advising, research – please explain)

2. How long have you known them?

3. Does this student show evidence of thought and creativity about classroom material outside of the classroom (questions after class, connections to other courses, independent studies - please be specific)

4. Does this student show evidence of good problem solving ability or independent thinking? (please be specific).
   Does this student exhibit good time-management and long-term planning skills?

5. Would you want this student to do an honors thesis or individual study or research project with you? (This does not commit you to advising this student)

6. How does this student compare with other students at Connecticut College?

7. Please rate this student on a scale of 1- 5 and explain your reasoning, with 5 being the highest:

   | 1 | 2 | 3 | 4 | 5 |

8. Additional Comments:

The Center may contact you for further information. Thank you for your recommendation.
