## *From the President*

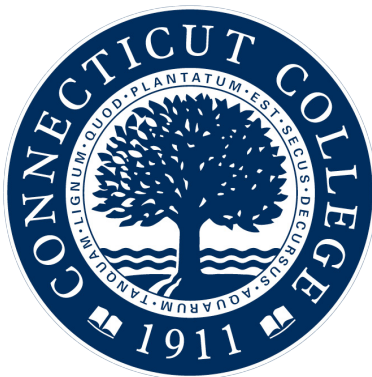

ANDREA E. CHAPDELAINÉ, PH.D.

The College continues to focus on strategic and financial priorities that strengthen the institution for the long term, following the Board of Trustees' meeting centered on sustainability and future planning. The Office of Admission will release decisions for the Class of 2030 earlier than in past years and will introduce a new non-binding Early Action option for future applicants, further supporting recruitment momentum. Faculty and students also continue to raise Conn's visibility through nationally recognized scholarship, creative work and public engagement. Construction is progressing on the [Fran Shields Grandstand](#) at Silfen Track and Field—made possible by the generosity of Timothy M. Armstrong '93 and Nancy A. Armstrong—with completion expected in 2026 and enhancements that will elevate the experience for student-athletes and spectators. Read highlights on our [Conn in the News](#) page, and view the full schedule of events and observances on the [College calendar](#).

## April 7-8, 2026 | Conn Giving Day

Conn Giving Day is the annual tradition that fuels the momentum at Connecticut College. Your support provides the resources our students need to turn their potential into purpose and put the liberal arts into action. Help us achieve our goal of 1,000 donors in 1,911 minutes and empower our community to compete, create, and innovate.
