Office of Residential Education and Living - Break Housing Agreement - Winter & Spring Breaks

Break Housing: is available only to Connecticut College students. Students may be approved to stay for break housing if they need to stay on campus in any of the following capacities: Athletics, Student Office Workers (for a Connecticut College office), working on an approved academic internship, taking Connecticut College or Coast Guard Academy courses, or if their permanent address hinders them from break travel.. Please read the following information carefully. The information below addresses both Winter and Spring Breaks, but please be aware each break requires a separate form. By submitting this form you are agreeing to the terms below:

Meals:

- Please refer to posted fliers regarding when meals will be served for the duration of the break.
- All students will be enrolled in a full meal plan at no cost.

- If you do not live in the Plex (Hamilton, Lambdin, Morrison, Johnson, Park or Wright) or Academic Year Round Housing (Abbey, Lazrus, Earth, 360 Mohegan, 191 Mohegan, River Ridge and Winchester apartments), you must make arrangements to borrow a room in one of these houses and obtain the key from the person whose room you are borrowing prior to leaving campus for break. Campus Safety/Residential Education and Living will NOT be able to open the room for you or issue you a key to the room.
- If you do live in the Plex or Academic Year Round Housing you may apply to stay in your own room.

Application and Approval Process:

- All students requesting break housing must fill out the Housing form, including students living in academic year round housing.
- Students who apply for break housing who are also on disciplinary probation level 2 will only be approved for break housing after consideration by the Office of Residential Education and Living and the Office of Student Life.
- An adviser/department head or supervisor must support ALL requests, BEFORE the end of classes in order to insure all applications are complete prior to the break housing period.
