This form (with all required signatures) must be submitted to the Registrar's Office by the end of the Limited Add Period in each of the two semesters in which you are pursuing an honors study. This signals your intention to pursue an honors study and simultaneously registers you for the course.

You will register for Honors Study under the subject code of your major. You may not register for one Honors Study in two different departments. You may, however, complete two separate Honors Studies in two different departments.
