Add a New Living Preference

Time Frame: Fall 2011

Once in “MyHousing,” select “Living Preferences” on the left.

This screen is also accessible from several housing contracts where it is relevant.

Once in “Living Preferences” please select the appropriate time frame you are indicating preferences for, typically Fall.

The example at the right shows that my first choice is to live anywhere in Blackstone House, and that my second choice is to live on the 4th floor of Smith House.

All criteria entered for a specific ‘choice #’ are specific to that choice number. For example, if choice 1 was Substance free, the subsequent choices numbers would not also be Substance Free unless specifically requested in each choice.

Please be sure to list at least 15 different houses (not 15 choices, but 15 different houses) in your preferences. You may enter an unlimited number of choices, but are encouraged to only indicate a reasonable number of preferences.

Please remember, these preferences will be used to select your housing assignment by the Office of Residential Education and Living during the lottery. Make sure that your preferences are accurate and thorough as they will be the only way the REAL office is able to make decisions for you.

You may return to “Living Preferences” and make changes at any time prior to your housing assignment being made.

Online Help
Please be sure to indicate your top 10 houses here.
You can only list up to 10 preferences.
Please use these 10 to indicate 10 different houses unless you are in a specialty lottery.
Please note that Indicating your Living Preferences is only necessary in two cases:
(1) If you need the REAL office to serve as your proxy because you will be physically or electronically unable to participate yourself AND you have informed REAL that you require this service OR
(2) You have qualified for the Doubles Lottery and have decided to NOT select a room in that lottery and will wait for REAL to house you over the summer in a single should there be one available for you.
Please refer to the Housing Lottery Booklet for more information on Proxies and Living Preferences.
