**Noncustodial Parent Information:** In an effort to reduce the number of items a student needs to provide, we do not require noncustodial parent information be submitted annually. However, the noncustodial parent has the option of requesting a formal review of their current information. Unless you or your noncustodial parent advise us otherwise, Connecticut College will use last year's application as a basis for determining the 2026-2027 noncustodial contribution. (Note: if the parents divorced or separated since the last time the student applied for aid, we will need the noncustodial parent to complete the CSS Profile Noncustodial Parent Statement and submit their 2024 taxes and W2s to our office.) Only the custodial parent's information should be used to complete the CSS Profile and FAFSA as outlined above.

**PLEASE NOTE:** If additional documentation is needed, we will reach out via email.
