Connecticut College Arboretum
Jogging Trails

Please remain on the designated jogging trails and paved roads east of Williams Street and west of the railroad tracks starting at the Athletic Center. The jogging trails are marked in the landscape with color coded blazes on tree trunks. Jogging is prohibited on Mamacoke Island and anywhere west of Williams Street. Jogging causes compaction and erosion which negatively impacts tree roots. We ask for your cooperation in helping preserve these areas by jogging only in designated areas.

Trail Distances
Campus Loop 1.3 miles
Blue Blaze 0.71 miles
Red Blaze 1.26 miles
